## SWAPv Conference 13-15 July 2016

### CALL FOR PAPERS *instructions*

---

Abstracts, of 250 words or less must be submitted by **Friday 26th February 2016**.

#### CONFERENCE PAPERS

There will be opportunity for (i) **peer reviewed** and (ii) **non-peer reviewed papers**.

Once your abstract has been accepted, you will need to indicate whether you will present a conference paper and whether you would like it to be peer reviewed.

Peer-reviewed conference papers will have a word limit of 4,000 words (excluding references). A double-blind peer review process will be used. The identities of authors and reviewers will not be known to each other. For each paper two referees will complete referee reports and make suggestions regarding suitability for the conference publication, editing, reworking or development of the paper. The recommendations will be forwarded to authors for attention before papers are finally accepted for the conference publication.

*Final papers will be due shortly after the conference to be published before the end of 2016.*

#### Preparation of Full Papers for Peer Review

Papers should not be more than 4000 words. When preparing papers for peer review please take account of the following requirements:

- Referencing style is APS.
- Acknowledgements must be included (funding support etc).
- All contributions should be written in English.
- Text size 12 point with headings in capitals.
- To facilitate 'blind' reviewing, authors must send in 2 separate documents:
  1. **A cover sheet** with name of paper, name of author(s), biographical details, institutional affiliation, contact details and word length.
  2. The **main body of the paper**. This should be de-identified for the purposes of double blind peer-review.

---

#### Contact and submission lodgment details
